## ***ELECTRAVALVE® RETROFIT KIT***

Due to a change to the National Electrical Code in the United States, it was necessary for Vaculine® to add a new retrofit kit configuration to the product offering.

Now available for installation, and to meet code, our retrofit kits are 12 gauge and 14 gauge, with order details below.

<b>Part Number</b>	<b>Description</b>	<b>Carton Qty</b>
775595RKV3	Retrofit Kit 12 AWG	5/carton
775595RKV4	Retrofit Kit 14 AWG	5/carton

Please contact your Vaculine® Customer Service Representative at 1-888-461-5307 for pricing details.
